FOX'S JOLLY ADVENTURE

One bright snowy morning, Fox woke up with a smile—this was to be his first day out in a while. With a big warm scarf wrapped around his neck, he left his burrow for a wintry trek.

Soon enough, he bumped into Raccoon. “Hello Fox, how have you been? I say, that scarf of yours is the nicest I’ve seen.” Fox thanked her and said, “Oh, it’s more than a scarf, it’s a hand-stitched list, embroidered with all of the things I’ve very much missed.” “By my whiskers,” said Raccoon, “This sounds like fun!

I’ll join you and today we’ll get them all done.”

So off they scampered, first fishing with Heron, then board games with Bear. Next cocoa with Moose and musical chairs! All through the day, the pals weaved through the woods, spreading joy and delight like only they could.

“What’s next, Fox?” Moose said gently. Fox checked his scarf and said, “Guess what? We’re done, evidently! To gather together was my biggest wish by far—and look around, here we all are!”

Hey, grown-ups! Scan the QR code to bring Fox’s woodland world to life. It’s as easy as 1, 2, 3.

- 1 Open the camera on your mobile phone.
- 2 Scan the QR code and tap the pop-up link on your screen.
- 3 See Fox and his wintry friends magically appear!

DIY WINTER PALS

Be like Fox and think outside the (Amazon) box!

Adults, with just a few household items, help your kids turn an Amazon box into woodland animals.

WHAT YOU'LL NEED

1 large cardboard box

Scissors

Pens, markers, or paints

Cut one large box along a corner fold so it lays out flat, then cut into four pieces.

Using these illustrations as a guide, draw an outline of each piece of the animal or tree on the cardboard.

You can also find stencils at amazon.com/cardboardcreations

Cut out the shapes, then decorate. Paint or color in the shapes however you like (be sure to do both sides of each piece of cardboard).

Slot the cardboard pieces together. And that's it!

Share the fun with [#deliveringsmiles](https://twitter.com/deliveringsmiles)

Grab some pens
or pencils and help
the artist finish her
woodland drawing!

MEET THE ARTIST

Erin Wallace is a first-generation Chinese American illustrator and artist (check out her self-portrait!). Her charming and whimsical work is inspired by the natural world. She draws on her printmaking background to inspire texture and layers, and balance simplicity and depth. Her favorite woodland animal? Hedgehog—because they're cute and gentle.
